Nordic Sustainable Equity

September 2026

Strategy

Simplicity Nordic Sustainable Equity is an actively managed Nordic equity fund that invests in large-, mid- and small-cap companies, with a focus on sustainability and long-term profitability. The fund is classified as Article 9 under the SFDR, and its investments must contribute to one of the fund's four sustainability objectives: climate & environment, health & well-being, sustainable solutions, and cities & infrastructure. The fund applies exclusion criteria and does not invest in companies that breach international standards or have significant exposure to corruption and financial crime.

This product sheet is provided for informational purposes only and should not be regarded as investment advice. All information in this document has been prepared by Simplicity AB, unless otherwise stated. All figures in this document are based on historical returns. Past performance is no guarantee of future returns. An investment in fund units always involves risk, and you may not recover the full amount invested. The fund's performance (return) is calculated after deduction of annual fees, in Swedish kronor and with distributions reinvested. No adjustment has been made for inflation. This document may not be used as an offer, for sales purposes or as investment advice where such information is unlawful or requires authorisation.
